Hi Tony,

I looked at both of the documents, and I think they're both good to go. Thanks

Subject: Need your approval: Summary of Subpart W for OAR to forward to Cabinet, shortened roll-out plan

Dear Reid:

OAR Communications prepares a rulemaking activity bulletin for the White House. Could you please look at this summary of Subpart W and make any corrections?

(b) (5) - Deliberative process privilege

Also, OAR changed its format for a roll-out plan since we finished it. It's limited to two pages, so I have created a shortened roll-out plan for them. (I actually prefer the new format.) It's attached—could you also take a look at it and make any corrections. I'd like to get it to OAR today.
